Dear Parents,

Greetings from the School!

With children actively engaged in a variety of classroom, sports, and co-curricular activities throughout the day, personal belongings may sometimes get misplaced unintentionally.

To help us ensure that all items are returned promptly to the correct student, we kindly request you to label all of your child's personal belongings (water bottles, lunch boxes, bags, stationery, jackets, etc.) with their full name.

A special request regarding shoes: During sports periods and certain activities, children often remove their shoes, and similar-looking pairs can easily get exchanged by mistake. We request you to kindly write your child's name or initials inside both shoes (on the inner sole or tongue area) to avoid confusion and accidental swapping.

Your cooperation in this small but important matter will greatly help us maintain better organization and ensure children's belongings remain safe.

Thank you for your continued support and partnership.

Warm Regards,
Dhruvi Bhatia
