

Date:24th December 2021

Agenda of the meeting held on 24th December' 2021, at 11 am in GGIS, Pimpri in order to discuss the re-opening of school for students of different age groups as per the mandates issued by the government.

Minutes of the meeting:

As per the GR received by the government regarding reopening of school an emergency meeting with Executive committee held in the school .

1. The points discussed in the meeting were that Parents consent will be taken from all parents before reopening the school and on the basis of response received the decision to reopen of school will be taken.
2. It has been also informed to the members that all Covid protocols will be followed strictly and consciously in the school premises.
3. All our staff members have been fully vaccinated and we do temp checks and complete sanitization of every staff member/visitor at the gate.
4. As per discussion in the meeting Google form will be shared with parents to fill their consent. There will be two Proposals of reopening will be shared with the parents
 - a. Alternate modes of learning: One day all the students of one specific class will attend offline school and next day all the students will attend online.
 - b. In case only 50% students of the total school strength are willing to attend school physically, we proposed to conduct 2 divisions of 1 class online and 2 division's offline every day.
5. Executive committee meeting was ended with the decision that google form response will be checked in the next meeting which will be scheduled online on 29th December 2021 and as per that school will take the decision of reopening of school.
