

Dear _____

**Greetings from GG International School!
We hope this email finds you well and in good health.**

is round the corner and we are excited to host you all!

Guruvarya Awards 2022 is round the corner and we are excited to host you all!

Started in the year 2017 Guruvarya Awards is an initiative by the Goel Ganga Foundation and GG International School to recognise and honour the selfless efforts and innovative practises of educators from across the country.

This year too we cordially invite educators from different streams and cities to nominate themselves under the following categories:

1.

Educational initiatives for upliftment of children in rural areas- Educators, academicians and social workers are invited to apply for this category who have started an initiative, project or done something extraordinary to elevate the lives of children in rural areas through education.

2.

Excellence in Sports- Educators are invited to submit their application for the above category who have had extraordinary achievements in the field of sports/physical education.

3.

Benchmark activities of school- Benchmarking in education occurs when measurable standards are set for learning. Schools and academicians are invited to nominate themselves in the above category who have been able to create measurable standards for some learning activities at school.

4.

Excellence in philanthropic activities as a school- Call it social work, community outreach activities or philanthropy each and every school focuses on training their students to become better human beings. This award is to honour such schools who have achieved extraordinarily in the field of community outreach/ social work.

5.

Green School of the Year- We all try to do our bit in order to preserve and conserve the environment. This award is to recognise the efforts of a school which has done phenomenally well in terms of conducting environment conservation and preservation activities in school. School which have made the school environment friendly.

6.

Student Mentoring- Teachers are invited to nominate themselves in this category who have helped a student or a group of students strengthen their foundation in academics by mentoring, guiding and hand holding in school.

Please note - All Participants need to submit a 500 word document note along with photographs for all activities and initiatives mentioned by them while registering.

To nominate yourselves in any of the above mentioned categories. Please fill in the registration form on the below link:
