The students visited NBCD, Fire fighting centre, Damage Control and Naval museum. Later they watched an inspirational movie on Indian Navy. The hosts also served us burger, cake, appy drink, water bottle and a bag of chips. The students really enjoyed this trip..except for the mild showers, chilled and foggy weather. Raksha Bandhan at GGIS

You have two hands, one to help yourself and second to help others.
-- Sindhutai Sapkal.

The students of "COMMUNITY OUTREACH CLUB" had organized a rakhi stall to help the students of "VATSALYA"- SCHOOL AND RESIDENCE FOR MENTALLY RETARDED CHILDREN.

Our club incharge Mr. Gunesh Jagtap contacted with the school and we had set up a plan for helping these students on the auspicious occasion of Raksha Bandhan. We sent the rakhi raw materials to this school. The rakhis were made by the these students and we collected these rakhis from them. These 416 rakhis were sold by us which gave us a profit of ₹16480. This amount was donated to them as a help from our side and a fruit of the hardwork they did.

The students of the community outreach club believe in doing social work and helping the needful. We follow the motto of Late Smt. Sindhutai Sapkal and will continue to do the same.

Thank you.
