Class Presentation 7th grade

Class presentation of grade 7 was conducted on October 1st, 2022 in Acharya Atre hall from 11:30 to 12:30. The topic of the presentation was Shakti- The victory of good over evil. The presentation also laid emphasis on power lies within us. It was a collective effort of all the students and teachers of grade 7. Invited guests, parents and students of class 6th and 8th thoroughly enjoyed the show. There were various dance forms- Dhunichi dance, Garba and Ravan wadh were performed by our enthusiastic dancers. The musical team showcased wonderful performances. Skits related to mythology and the present scenario of students on how to overcome fear anxiety, pride, jealous etc. were put forward which was relished by the audience. The presentation focused on gender equality, the emotional evils and festival. The show was also dedicated to the parents who are the greatest source of motivation to the students. The show was concluded by the words of wisdom shared by the Principal of GGIS, Ms. Seethadevi Ramdas.

class Presentation 4th grade

The Class Presentation of Grade 4 was conducted as on 1st October 2022, from 10:00 am – 11:30 am. It was conducted in Acharya Atre Hall. The theme of the topic was 'Mr. Lal Bahadur Shastri and his Slogan 'Jai Jawan Jai Kisan'

The CP was based on stories of Lal Bahadur Shastri Ji's life. It began with an auspicious lamp lighting ceremony and Shlokas were recited. Students showcased amusing performances through swindling dance moves and melodious songs. It was a buzzing Presentation as all the students of Grade 4 actively participated in the CP and performed at their best.

153RD BIRTH ANNIVERSARY OF MAHATMA GANDHI

153rd birth anniversary of Mahatma Gandhi was solemnly celebrated in GG International school, Pimpri. The program started at 8:30 AM with the welcome of our chief guests Smt. Kokila Dhake, Dr. Dnyandev Dhake and Dr. Pahuja.

The school director Ms Bharti Bhagwani felicitated the guest and delivered a welcome speech to the audience. Bhajans were sung by GGIS students and music teachers. GGIS also organised a free eye check up for all the GGIS family members. Dr. Pahuja a renowned ophthalmologist conducted the eye checkup in the school premises. The chief guests also shared their thoughts in celebrating the Mahatma's spirit and tried to inculcate his principles of truth, righteousness discipline amongst the students.

An Educational Trip to JCB Plant

On 17th October, students of grade XII of GG International School were taken to a field trip to JCB plant in Talegaon. The primary purpose of which was to season the upcoming generation about the functioning of a well established plant. Students were accompanied by their teachers as guardians and mentors.

The proposal of this trip was first put by students themselves, who were eager to experience hands down learning through camaraderie and fellowship. After a joyful ride to the plant, students were welcomed by officials in charge.

The inaugurate part of the trip consisted of explaining the students how Joseph Cyril Bamford Excavators Ltd or JCB first came up with it's main branch and how the other branches followed. The core idea behind JCB is so exhilarating that the term 'JCB' has become colloquial equivalent to heavy machinery and excavators.

A field trip to Miniature Railway on 17th Oct for Grade 2

Joshi's Museum of Miniature Railway is a miniature railway museum located in the Erandwane locality of Pune, a city in the state of Maharashtra, India. The museum hosts working models of various types of trains. It was started by Bhausahab Joshi. It has a miniature set up. A unique museum demonstrating the evolution of transportation system in India. Its a small room where the model is built by the owner.

It was an immense pleasure to visit Joshi Museum .It was a trip full of knowledge. They could relate to the Transport topic which they studied in the class. They could differentiate between different types of vehicles. Students were overjoyed to see the set up of different engines.

They got an exciting hands on experience of observing of how the railways work. They could see different types /size/colour of trams, rails, bullet train and metro. The children really enjoyed themselves and it's good to watch them gain independent skills.

An Educational Trip to Mumbai

The students of grade 11th and 12th from GG international school Pimpri, Pune went for an educational trip to Mumbai on 11th of October 2022 headed by Mrs. Sonali Srivastav. The journey started at 6 o'clock in the morning from the premises of GGIS. After an enjoyable journey of 4 hours from Pune the buses were welcomed to Mumbai and an hour later, finally reached the National Stock Exchange of India at 11 am, where the students had some refreshments and got fresh and up. The students were mesmerised by the energy, environment and vibes of the National Stock Exchange. An amazing session was conducted by Mr.Anil on the functioning of NSE and briefed the audience about the MF-BYTES application developed by NSE Academy in collaboration with HDFC Mutual Funds.

After the knowledgeable session, the students departed from NSE. But Mumbai had something more to offer. The students headed to the Western Indian Regional Council i.e. WIRC of The Institute of Chartered Accountants of India (ICAI), where they had a appetizing lunch break. Then they headed on to the auditorium for a career counseling session.

Diwali killa making activity

The students of Class VIII B and VIII C made killas (forts) as Sanskrit SEA activity no.2. the students made replicas of fort Raigad, Fort Sinhagad and Fort Pratapgad.

At the Pre-Primary Garba Night event, a Diwali stall organized by GGIS Community Outreach Club was set up by Vatsalya Orphanage. This time the sale was Rs.9000/- This entire amount was for the ashram.

ART PRESENTAION ON PTM

An art Exhibition was held in GGIS on the day of PTM, 22 October in the Assembly area. It was filled with beautiful drawings and pieces of art made by students of GGIS.

The drawings and diya's were for sale. The parents could buy any drawing and diya that they wanted. The money collected was donated to NGO's.

Community outreach club activity:01/10/2022 Grade 9 to 12 students of GGIS have done a wonderful job by hand- painting and decorating 200 diya's for Vaatsalya orphanage . The children from orphanage will sell those 200 hand-painted diya's by that they get some support from our institution.

Library Activity for "getting to know your Library"

Hand made Cronicals made by 5B students with message

INTERHOUSE & CLUBS

Daan Saptah Program

The clothes, toys, books and other useful items collected by the students of the school were donated to Swach sanstha in the *Daan saptah* program organized by Nibha Gupta on the occasion of Gandhi Jayanti by Ggis Community outreach club and Bhumi Foundation. The work of this institution is to provide these things to various ashrams as per their needs. Ms. Dhruvi Bhatia ma'am , Mr. Suryakant Chavan and community outreach club in-charge Mr. Gunesh M. Jagtap from the school cooperated for this.

Newspaper making

An interhouse activity was conducted in social science period where students of Grade 5th made newspapers of GG International School

The newspaper contained news, life hacks, games,

DOHA GAYAN 3 - 5

Each house was divided into 2 groups. They were given a Kabir Das doha to recite. One group recited it and the other explained it's meaning.

DEBATE COMPETITION

Students from class 6 to 8 participated in debate Interhouse Competition. The theme of Class 6 was Should animals be kept in zoo, Class 7& 8 was given Should uniform be compulsory or not. Students followed the Debate format and participated enthusiastically with fact finding and appropriate knowledge about the topic given.

Science and Technology.

Reeha Aarif Bangi , a student of class 7 has once again proved that GG International School is never behind in encouraging student for Science and Technology.

"The vigyaan fest" organised by GK Gurukul School, was held on 14 October 2022. Reeha Bangi Shone Khurge and Aman Upadhayay accompanied by Ms. Vaishnavi Khanzode, participated in this competition and won the gold medal , Shone Khurge , Aman Upadhayay are 1st runner up. The theme for the competition was Electricity and Electronics. There were two stages in this competition, first was virtual and the second was in the presence of judges, where only top 10 best projects were selected. Reeha performed extremely well in both of the rounds and was very appreciated by the judges. This was a proud moment for the school and we hope that more student will participate in such competitions with great enthusiasm.

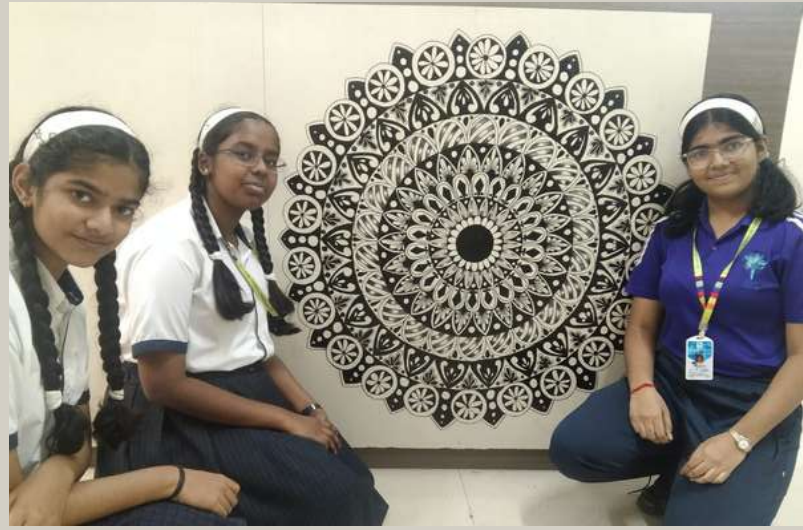

Ms Vashnavi Khanzode (HOD Science GG/S) received the best mentor award (SPQC) by GK gurukul
